

## CR Dark Pearl

**Date of Birth:** 03/07/2017  
**Registration 1:** CI308324  
**Breeder:** Alexandra Dees  
**Owner:** Russ & Lone Kubik

This gentle cow is one of the most beautiful girls in the herd. She has a super PCC Midas Touch gold and white herd sire prospect at side and has been exposed to WT Kid Rock for 25 days! There is a good chance that he has bred her in that time. DNA PV Johnes neg
